Description:

A modern detached villa near the sea with a swimming pool and sea view. It was built on two floors. On the ground floor there is a living room with access to the terrace, small toilet, bathroom and one bedroom, kitchen and dining room. On the first floor there are two bedrooms with private bathrooms and a terrace with an open sea view. The house has 4 air conditioners and central heating on gas. The fireplace is also in the living room. On the roof there are solar thermal collectors which supply the house with hot water. The facade is 8cm thick and the floors are made of wood (parquet). In the yard there is a 25-m2 large pool of and two parking places. The sea is just 800m away and all the essential facilities for life are not far from the villa.
