Description:

Detached house with two residential units in central Istria. The house is divided as follows: The ground floor consists of an entrance hallway, kitchen with dining area, living room with access to the terrace, three bedrooms, a bathroom and a toilet and storage room. Upstairs is an exact same apartment. The house is sold fully furnished and has gas central heating. The property has a summer kitchen with toilet, swimming pool and an additional building that can serve as a garage or can be rebuilt with about 150m2. The property has two access roads, so the garage can be separated as a separate object.
