Description:

Nice two bedroom apartment 4 km from the center of Pula. It will be a quality construction. High-quality materials will be used in the construction. The apartment is located on the second floor and consists of an entrance hall, two bedrooms, a kitchen with a living room, a bathroom, a loggia, a parking space. All essential amenities are nearby. The distance to the sea and the beach is 4 km. The apartments will be equipped with first-class quality ceramics, in which the customer will have the option of choosing different designs and colors. PVC joinery with mosquito nets while the interior joinery will also be of exceptional quality. Air conditioning units are planned for heating and cooling, which will be installed in each room (living room and all bedrooms). Bathrooms are delivered fully equipped. Each apartment has one parking space, and the apartments on the ground floor also have a part of the garden. The planned start of construction is the spring of 2024, while the completion of the works is scheduled for the end of 2025. Currently the price is favorable, and as the works progress, the price will rise. â€œ
