Description:

A semi-detached house with a living area of 90 m^2 is for sale near Pula. The ground floor has a living room with a dining room, a kitchen, one bedroom, a bathroom, a hallway and a storage room. On the mezzanine floor there is a gallery that can be used as a study. On the first floor there is a bedroom with a balcony and a bathroom. The house is being sold fully furnished and equipped. The upstairs bedroom has laminate flooring, while the rest of the house has tiles. The house has two air conditioning units, a chimney, and electric underfloor heating in the upstairs bedroom. The roof was completely renovated eight years ago. Electricity and water connections are provided, and the house also has a septic tank and a telephone or internet connection. The 78 m^2 garden can be used as a parking lot for two cars or to enjoy the shade under the canopy. The east-south orientation of the house ensures enough sunlight throughout the day.
