The spacious basement is tiled and has an engine room for the entire house. The ground floor has a hall, a bright and spacious living room, kitchen and dining room with access to a large covered terrace with panoramic views. The quality of the joinery is excellent, the blinds are electric and the terrace is protected by tinted glass. From the hall on the ground floor you get to the spacious bathroom, bedroom with access to the courtyard behind the house and storage room next to the stairs.
