

General information:

Category : Building plots
Type : For sale
Square meters : 4700

Description:

Building land in a beautiful part of Istria not far from Barban. The land is located on the edge of an urbanized zone surrounded by agricultural plots and olive groves. South slope means that it has a beautiful open sea view of the Raska bay Asphalt access road, electricity and water are in the road corridor. The land complex consists of formed plots with projects for 4 villas with swimming pools. The houses are approximately 200 to 240 m² in size, and the plots 950 - 1480 m². All houses have valid permits, fully paid water and utility contributions, and construction has formally begun. The buyer can start construction immediately. Great opportunity for investors.
