The house is located on the outskirts of the village so the privacy is guaranteed. The house is surrounded by greenery and the neighboring buildings are also very nice. The house was built in 2016 and has been in use ever since and partly renovated just now. It was built in an indigenous style using lots of stone and natural materials that gives a real touch of Mediterranean flair. A large garden of 955 square meters is surrounded by a dry stone wall and the driveway is paved. There are 3 parking spaces. In the central part of the garden there is a swimming pool with a sun deck and lounge area. There are 4 bedrooms with bathrooms, living rooms are large and comfortably furnished. The bathrooms have underfloor heating and the house is heated and cooled by an inverter air conditioning system. The villa also offers plenty of entertainment: 4 TVs, table football, five-a-side football, Playstation, table tennis and 4 bicycles.
